Peach Beach Dessert

INGREDIENTS

2 cans sliced peaches, drained
2 cups graham cracker crumbs
1 cup granulated sugar
1 egg
 $\frac{3}{4}$ cup salted butter
1 pint whipping cream
 $\frac{1}{4}$ cup confectioner's sugar

INSTRUCTIONS

1. In a pot, combine the egg, butter, and granulated sugar, stirring continuously until it is warm and creamy.
2. Make your whipped cream by whisking together whipping cream and confectioner's sugar in a mixing bowl until stiff peaks form.
3. Layer your ingredients. First, put 1 cup of graham cracker crumbs on the bottom of a flat pan. Then, spread the egg mixture on top of the crumbs. Place the drained sliced peaches on top of the egg mixture. Then, top the peaches with your whipped cream, followed by another 1 cup of graham cracker crumbs.
4. Chill at least 3 hours or overnight prior to serving.
